

Aflac Interest Form for employees of Ellenville Regional Hospital

You work hard for your paycheck, and we'd like to help you protect it.

Health insurance wasn't designed to cover everything. That's why there's Aflac. We can help take care of the expenses health insurance doesn't cover, so you can take care of everything else.

Aflac supplemental insurance plans pay you cash benefits directly to you (unless assigned otherwise) so you can focus more on getting better instead of worrying about medical bills and other expenses.

Please return this completed form to your Aflac benefits advisor.

We're excited to talk about your coverage options. Fill out the information below and return it to your Aflac benefits advisor.

Please mark which Aflac plans you are interested in speaking to your Aflac benefits advisor about.

Supplemental insurance plans:

- ☐ **Accident**
Individual accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.
- ☐ **Short-Term Disability**
What if you couldn't work due to injury or illness?
Aflac Short-Term Disability insurance helps replace some of your income and keeps working when you can't.
- ☐ **Cancer/Specified-Disease**
Aflac cancer/specified-disease policy provides robust benefits so you can seek the treatment you need while easing the financial concerns that often accompany it—before, during and after diagnosis.
- ☐ **Hospital Confinement Indemnity**
Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Aflac hospital insurance can help minimize those out-of-pocket costs so you can focus on recovery.
- ☐ **Lump Sum Critical Illness**
It's good to be prepared. Aflac lump sum critical illness policy will pay a lump sum amount to you if you experience a covered health event.
