

Legal coverage to go, wherever you're going.

Explore the benefits of an individual legal plan.

From purchasing a home to creating a will, you can rely on MetLife Legal Plans to help navigate many of life's most important and everyday events. With an individual plan, you can still enjoy legal plan benefits after retiring or ending employment.

An individual legal plan lets you access the legal assistance you've relied on for managing unexpected events and the moments that matter most. Plus, it's portable – you can take the plan with you if life takes you in a different direction.¹

Individual plans are available in two options, both of which feature:

- ✓ Access to a nationwide network of experienced attorneys, digital self-help documents and estate-planning tools
- ✓ No deductibles or claim forms on any covered matter
- ✓ Unlimited document review and consultations
- ✓ Coverage for your dependents, including your spouse, domestic/civil union partner and your children

2. Complete enrollment and submit payment. You will receive an email confirmation.
3. If enrolled between the 1st and 23rd of the month, your coverage will begin the 1st day of the following month.
