What We Do

The Ellenville Regional Hospital Foundation is dedicated to increasing the financial strength of Ellenville Regional Hospital (ERH) and to best support the hospital's mission. The ERHF assist's Ellenville Regional Hospital in creating its most innovative programs and securing its future. Each donation we receive helps us to provide the best care possible for our patients.

The Giving Tree

The Foundation invites you to join the Giving Tree by purchasing a Leaf, Brass Apple, Butterfly, Silver Apple, Copper Blossom or Bronze Bird. Your donation is 100% tax deductible and each gift will display the name you select.

The full size bronze and copper tree sculpture, by local artist Matt Pozorski, is permanently displayed inside the main entrance of the hospital for all to see as they enter. It portrays an uplifting expression of the hospital's direction and productivity that is ERH's goal and benefit to the area.

We sincerely hope you decide to become a part of this success by investing in ERH's future with a donation.

Giving to Ellenville Regional Hospital Foundation is giving back to our entire community...

Ways To Give

Complete the form below and send it along with your donation to:
ERH Foundation
Attn: Poppy Cannon-Reese,
Executive Director
10 Healthy Way
