

Preventive Advantage – Additional Details

Enjoy preventive dental care, with no deduction from your plan’s annual maximum.

With Preventive Advantage, when you visit a dentist that participates in Guardian’s network, you can receive all preventive care, including exams, cleanings, x-rays and fluoride treatments, without having the benefit expenses deducted from your annual maximum. That means you can stretch your benefit even further for even more savings to you.

- **Simply pay the applicable co-insurance and deductible for Preventive care (if any)**
- **The entire annual maximum amount is preserved for other dental needs**
- **Preventive care will continue to be covered even after the annual maximum is met**

Dentists recommend oral exams and cleanings every six months. Now you can take good care of your oral health without having to balance the need for dental procedures.
