FITNESS CLASS DESCRIPTIONS

Bingocize:

This class combines exercise and health information with the familiar game of Bingo - fun!

Brain & Balance:

This class will improve your motor skills, hand-eye coordination and gait, strengthen your muscles and core, increase your range of motion and stimulate your mind. This exercise class increases production of Brain-Derived Neurotropic factor and packs a punch!

Cardio Dance

This class will get your heart rate up with some cardio dance moves and fun music!

Chair Yoga

Connect your mind, body and breath with a series of lengthening and strengthening yoga exercises done seated or standing. The benefits include loosening and stretching painful muscles, reducing chronic pain, decreasing stress, and improving circulation.

F.I.T. (Fun Interval Training):

F.I.T includes uplifting music that motivates you to perform different exercises at different stations around the room. It is based on a program created by Dr. Izumi Tabata to strengthen your heart and circulatory system. All ages and fitness levels are welcome!

Strength Training/Body Building:

This class includes exercises that are designed to improve strength and endurance with the use of free weights and resistance bands. All ages and fitness levels are welcome!

Tai Chi for Arthritis & Fall Prevention - Level 1:

This is an 8-week series taking place weekly. Created by Dr. Paul Lam, the program incorporates Tai Chi principles for improving health, strengthening for fall prevention and range of motion to ease arthritis pain. Recommended by the CDC and evidenced based.

Tai Chi - Level 2:

Tai Chi is a series of slow gentle movements and physical postures with controlled breathing. The exercises can be done seated or standing. Tai Chi improves strength, flexibility, aerobic conditioning and balance.

Weekday Walkers:

Join us for a walk down Airport Road and enjoy a beautiful view of the Shawangunk's! Meet RHN staff and community members at the back of the hospital near the community garden. We will walk with you at your own pace, distance, and comfort level. If temperatures are under 40 degrees or over 80 degrees, we will not be meeting for a group walk that day.

Y12SR Recovery Yoga:

Y12SR Yoga is a 12-step based discussion and yoga practice that is open to anyone and everyone dealing with their own addictive behavior or affected by the addictive behavior of others. This is an open and inclusive group. All A's are welcome.
